MOTION FOR *IN CAMERA* REVIEW OF THE VICTIM'S COUNSELING AND MEDICAL RECORDS

The State of Arizona hereby submits to the Court the victim's counseling and medical records from Christian Family Care Agency, Tolleson Elementary School, and Tolleson Union High School, as ordered by the Court. The State requests the Court to examine the records *in camera*. The State also requests that if the Court should find any of the information to be discoverable, that the packet be returned to the State for redaction of any non-discoverable victim information (e.g., addresses, telephone numbers, etc.). The State will then provide a redacted copy to the defense.
